

## WE ARE MOVING!

Vancouver Coastal Health (VCH) has recently constructed a new care home, the Dogwood Care Home (Dogwood) at 7405 Paulson Street, Vancouver. Within this development, ASK and VCH partnered to construct a new space on the first floor, specifically for an Adult Day Program (ADP). ASK will be transitioning to its permanent, purpose-built space at the new Dogwood Care Home. In this exciting partnership, the co-location allows for the sharing of services within the building, such as food services, janitorial and laundry services.

The ASK Friendship Society, will continue to provide our Adult Day Programming in this new location and continue to serve the same neighbourhoods of Arbutus, Shaughnessy, Kerrisdale, Dunbar, Marpole, South Vancouver and many more!

### Timeline:

**Sept 29:** Close current location

**Oct 2-13:** ASK closed to move location

**Oct 16:** ASK to open to clients at new location

### New Address:

7405 Paulson Street, Vancouver BC V6P 6M7
